

# Making the Promise

I will

decide if I want to

join

**Squirrels**

after a few weeks

of going.

I will

need to make

a Promise.

A leader

will help

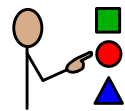

me

to understand

and

choose

a Promise.

Making

the Promise

is very important.

I must

promise to be

a good

Squirrel

and

try my

best.

        
I will say my Promise during a special ceremony called an Investiture.

    
This is called being invested.

     
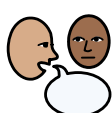

Other children may be invested during the Investiture.

     
Everyone might get into a circle or semi circle.

     
Parents or carers can come to watch.

      
The leader will ask if I understand the Promise.

     
I will make the Scout sign and say my Promise.

       
It is ok if I feel nervous, I can tell the leader who can help me.

After making my Promise, I will get a special badge.

**Squirrels**

I will get a necker to wear at Squirrels.

I will get a woggle.
