

St George's Day Award Recipients 2011

ROLL OF HONOUR

scouts.org.uk

Inspiring. Supporting. Motivating.

Each year, we take this opportunity to recognise exceptional people whose extraordinary dedication and commitment to young people and Scouting has been marked with a St George's Day Award.

Recognition means different things to different people. Some like to be thanked in a public way for their achievements, whilst others prefer to keep it low-key. Both reactions are fine and need to be respected but I would like to add my own very loud Congratulations to all.

The awards and the reasons behind them are all very much deserved. We recognise those who have gone that little bit further in their support of Scouting. The St George's Day Awards are also an opportunity to mention the truly inspiring recipients of Gallantry and Meritorious Awards who have shown such courage and determination in the most challenging of circumstances. A read of the citations is such a humbling experience.

We know that the Section and Unit leaders who deliver exciting and inspiring programmes are at the forefront of making a difference to the lives of young people. But we also need to recognise those individuals who motivate, inspire and support adults to ensure they can do what they do best. This reflects a true partnership which is at the very heart of our continued success.

This year we will be joining with Girl Guiding UK for a service at Westminster Abbey on 5 November and I look

forward to welcoming many of you and to thank you personally for your achievements.

Congratulations again and a very big thank you on behalf of our young people and society as a whole to all our volunteers who help to make a difference.

We endeavour to ensure that all recipients are listed. If you do not see your name listed, please contact the Awards Department at Gilwell Park. Call 020 8433 7193 or email lynda.gray@scouts.org.uk

Silver Wolf

'In recognition of services to Scouting of the most exceptional nature'

The Silver Wolf Award was introduced by Lord Baden-Powell and remains The Scout Association's highest award for service to Scouting.

In practice, this means that it is seldom awarded for less than 30 years' service, although this is not always the case.

'Scouting has become part of my life. It has given me the opportunity to meet many people and take part in some wonderful events. Young people in Scouting work together and can try different activities they would not otherwise have had the opportunity to do. There is nothing more satisfying than seeing a young person smile when they achieve something they think is impossible for them.'

Lawrie Herbert Skinner – Silver Wolf

'My Scoutmaster was a rear gunner in Lancaster bombers and his assistant was ex-8th army. They inspired me the most. Scouting was magic. The programmes were exciting and adventurous and we were always out in the country hiking and camping and using the skills we had learned. I have held many leader appointments, creating the same magic I found in Scouting for countless young people, and I am privileged to carry this on now as a Training Adviser.'

Lawrie joined the Movement as a Scout in 1947, taking up his first Leader appointment ten years later. He has since taken on various roles, passing on his vast in-depth knowledge of practical skills. In his role with Scout Active Support, Lawrie visits local Scout groups who are keen to pick up on his scouting knowledge. As a Training Adviser, Lawrie has built up a great relationship with the learners he supports and also with his Local Training Manager and County Training Manager.
