

St George's Day Award Recipients **2013**

# **ROLL OF HONOUR**

# Congratulations

In my role I am privileged to witness many examples across the UK of just how wonderful Scouting is. Few occasions are more inspiring than St George's Day when we are able to recognise the amazing achievements, commitment and dedication of our volunteers, whether it is through service of one year or 70.

Much has been made of the success and impact of the Olympics and of the contributions of its volunteer Games Makers over a period of weeks, rather than years. However, people outside Scouting are continually amazed at the fact that we continue to be an organisation run by volunteers, supported by a small and dedicated

staff team. Increasingly our successes speak for themselves. Many of our members are unsung heroes of their communities, so as we recognise these achievements, let's be radical; cast aside our inhibitions, natural instinctive modesty (for most at least!) and sing these achievements from the rooftops.

Congratulations and very many heartfelt thanks.

*Wayne*

## APPLYING FOR AWARDS

Do you know an inspirational adult volunteer who goes above and beyond what is expected of them? If you'd like to nominate someone special for an award, here's what you need to do:

- Complete an award application, available from Scout Shops ([scouts.org.uk/shop](http://scouts.org.uk/shop)) or from [scouts.org.uk/awards](http://scouts.org.uk/awards), using the example citations as a guide.
- The application must be submitted to the County/Area/Regional Commissioner to gain their recommendation and support.

- It can then be submitted to UK Headquarters, where it is considered by the Awards Board – a group of volunteers from across the UK.

Applications for Silver Acorn, Bar to Silver Acorn and Silver Wolf need to be with Headquarters by 1 September to be considered for St George's Day; for all other applications, there is no deadline.

For further advice on how to nominate someone, please contact the Awards Team on [awards@scouts.org.uk](mailto:awards@scouts.org.uk) or call 020 8433 7193/7192.

## Silver Wolf

In recognition of services to Scouting of the most exceptional nature.

The Silver Wolf Award was introduced by Lord Baden-Powell and remains the Scout Association's highest award for service to Scouting. The Silver Wolf is the unrestricted gift of the Chief Scout and is only awarded 'for service of an exceptional nature'. It is not normally awarded until at least a Silver Acorn has been gained. In practise, this means that it is seldom awarded for less than 30 years' service, although this is not always the case.

## Dave Sweetland Silver Wolf

Dave has been an adult volunteer in Scouting since the 50s and received his 50-year Service Award in 2008. He has remained committed to 4th Worcester Park Scout Group in his role as an Assistant Group Scout Leader and as Chairman of the Maintenance Committee.

'I started Scouting at the age of 11 so it's been over 60 years and I still enjoy it. It's been a remarkable adventure. My senior Scout Masters are twins and they're 91 now and they're still active in Scouting. It's not very often that someone gets a Silver Wolf in the presence of their old Scout Masters.'

## Gillian Attree Silver Wolf

Gillian has been passionately involved in Scouting for over 40 years in various roles. She oversees the Regional Development Officer and Project Management Group in Oxfordshire and also chairs the County Adult Appointment Committee. Despite her packed schedule, Gillian is hands-on with Scouting and supports various Active Support Units.

'I was invested as a Scout on Brownsea Island in 1970 as part of the Service team. Scouting is part of my life and it would be odd without it. I love what it gives to the young people, more than what I personally get out of it.'

## Bar to the Silver Acorn

## Brian Tucker Bar to Silver Acorn

Brian has helped boost Scouting and has taken on numerous roles in his 40-plus-year service for the Movement. In Norfolk, Brian has continued to encourage other leaders and played a vital role in revitalising a dormant Scout Group after their HQ was hit by a flood.

‘It’s changed as time has gone on. I’ve loved being involved in Venture Scouts and the activities and expeditions we’ve worked on. I now enjoy seeing the Group develop, getting the Executive organised and seeing everyone work as a team, and now we’re getting even more young people involved, which is warming to see. It’s been a rewarding experience.’

**County:** Although in some parts of the British Isles Scout Counties are known as Areas or Islands – and in one case Bailiwick – for ease of reading this publication simply refers to County/Counties. In Scotland there is no direct equivalent to County or Area. In Scotland, Scouting is organised into Districts and Regions, each with distinct responsibilities. Some 'Country' functions are the responsibility of Scottish Regions, while others lie with Scottish Districts. The focus of responsibility is outlined in Scottish variations from POR.
