Congratulations

We certainly have a spring in our step. National headlines proclaim
our success, and the dedication and commitment of our volunteers
and staff are recognised through the national honours and
our good service awards. Across the country, society recognises
the value of Scouting's non-formal education through fun and adventure, and this
is down to our growing number of volunteers.

These awards give us a great sense of pride as we recognise those who have
gone that extra mile with their exceptional service or acts of immense bravery
in overcoming adversity. We take this opportunity each year to say a very big
and heartfelt congratulations and 'thank you'.

Wayne Bulpitt
UK Chief Commissioner

APPLYING FOR AWARDS

**Do you know an inspirational adult volunteer who
goes above and beyond what is expected of them?
If you'd like to nominate someone special for an
award, here's what you need to do:**

- Complete an award application, available from Scout
Shops (scouts.org.uk/shop) or from scouts.org.uk/awards,
using the example citations as a guide.
- The application must be submitted to the County/
Area/Regional Commissioner to gain their
recommendation and support.

- It can then be submitted to UK Headquarters, where
it is considered by the Awards Board – a group of
volunteers from across the UK.

Applications for Silver Acorn, Bar to the Silver Acorn and Silver
Wolf can be submitted now for consideration in next year's St
George's Day list, but they must be with Headquarters by
1 September. For all other applications, there is no deadline.

For further advice on how to nominate someone,
please contact the Awards Team on awards@scouts.org.uk
or call **020 8433 7193/7192**.

Silver Wolf

In recognition of services to Scouting of the most exceptional nature.

The Silver Wolf was introduced by Lord Baden-Powell and remains the Scout Association's highest award for service to Scouting. The Silver Wolf is the unrestricted gift of the Chief Scout and is only awarded 'for service of an exceptional nature'. It is not normally awarded until at least a Silver Acorn has been gained. In practice, this means that it is seldom awarded for less than 30 years' service, although this is not always the case.

County: Although in some parts of the British Isles Scout Counties are known as Areas or Islands – and in one case Bailiwick – for ease of reading this publication simply refers to County/Counties. In Scotland there is no direct equivalent to County or Area. In Scotland, Scouting is organised into Districts and Regions, each with distinct responsibilities. Some 'Country' functions are the responsibility of Scottish Regions, while others lie with Scottish Districts. The focus of responsibility is outlined in Scottish variations from POR.
