APPLYING FOR AWARDS

Do you know an inspirational adult volunteer who goes above and beyond what is expected of them? If you'd like to nominate someone special for an award, here's what you need to do:

- Complete an award application, available from Scout Shops (scouts.org.uk/shop) or from scouts.org.uk/awards using the example citations as a guide.

- The application must be submitted to the County/Area/Regional Commissioner to gain their recommendation and support.

- It can then be submitted to UK Headquarters, where it is considered by the Awards Board – a group of volunteers from across the UK. Applications for Silver Acorn, Bar to the Silver Acorn and Silver Wolf can be submitted now for consideration in next year's St George's Day list, but they must be with Headquarters by 1 September. For all other applications, there is no deadline. For further advice on how to nominate someone, please contact the Awards Team on awards@scouts.org.uk or call 020 8433 7193/7192.

COUNTY: Although in some parts of the British Isles Scout Counties are known as Areas or Islands – and in one case Bailiwick – for ease of reading this publication simply refers to County/Counties. In Scotland there is no direct equivalent to County or Area. In Scotland, Scouting is organised into Districts and Regions, each with distinct responsibilities. Some 'Country' functions are the responsibility of Scottish Regions, while others lie with Scottish Districts. The focus of responsibility is outlined in Scottish variations from POR.

SILVER WOLF

In recognition of services to Scouting of the most exceptional nature.

The Silver Wolf Award was introduced by Lord Baden-Powell and remains the Scout Association's highest award for service to Scouting. The Silver Wolf is the unrestricted gift of the Chief Scout and is only awarded 'for service of an exceptional nature'. It is not normally awarded until at least a Silver Acorn has been gained. In practice, this means that it is seldom awarded for less than 30 years' service, although this is not always the case.
