### **ABOUT SCOUTING**

- The Scout Association was founded on 1<sup>st</sup> August 1907.
- Adventure is at the core of Scouting, and the Association passionately believes in helping their members fulfil their full physical, intellectual social and spiritual potentials by working in teams, learning by doing and thinking for themselves.

- Over 200 activities are offered to the half a million Scouts around the UK, made possible by the efforts of 100,000 voluntary adult leaders. This has helped make Scouting the largest co-educational youth Movement in the country.
- One of the challenges that the Scout Movement faces is finding more volunteers to plug the current gap. At present there are nearly 38,000 young people on waiting lists as more and more young people want to experience the adventure of Scouting.
- Adults working in Scouting contribute in excess of 364 million hours of voluntary work each year to their local communities.
- The number of volunteers working for Scouting is bigger than the combined workforces of the BBC (24,000) and McDonalds (67,000) put together.
- Worldwide Scouting has 30 million members both male and female and operates in nearly every country in the world.
- There are half a million members across the UK (400,000 young people supported by 100,000 adult volunteers). Worldwide Scouting has 28 million members both male and female and operates in nearly every country in the world.
- There are 200 Scout activity and challenge badges. These require participants to achieve a level of understanding and skill determined to be realistic for their age group.
- *There are (INSERT NUMBER OF YOUNG PEOPLE IN GROUP) young people in (INSERT GROUP NAME) support by (NUMBER OF ADULTS) who support the work of the Group.*
