

Your Guide - Family Helper

Thank you for supporting your young people!

To help you on the night we have outlined some information below that you may find useful. We have a Safeguarding policy and there is a “yellow card” reference card at the back of this letter. Please read through the dos and don'ts. I am sure you will understand this policy keeps our young people and adults safe!

Top Tips for Helpers on the Rota

- Listen to the young people and support them to take part
- Encourage them to try their best, use their initiative and work together
- Siblings are welcome to attend with you but are your responsibility at all times
- Try to avoid staying close to your own child – encourage them to work away from you, both of you will have more fun
- Know where the loos, store cupboard and kitchen is. If you can't find something please do ask
- Please do make sure that you get stuck in and have lots of **FUN!**

Remember - if you are unable to attend your selected or allocated week, please swap with someone else and please let us know.
