

Scouts Census Form – Young People

This form is used to collect data for the Scout Association's annual census. This sensitive data is anonymous and will be collated locally and added to an online Census return. This data is collected so Scouting locally and nationally can better understand its Membership and it's make up. Once the data is added to the Census website, this form will be destroyed. The Scouts Data Protection Policy can be found on our website www.scouts.org.uk
