Dear parent/guardian/supporter

A massive thank you for coming along to our open event; it's great to see so many people keen to get involved in the Scouts.

To make the Scout Group a success, we need some extra helping hands from the community. And there are lots of different ways to lend a helping hand depending on your skills and interests. Everything little bit counts!

We're getting together on **<Date>** at **<Time and Location>** to chat through what happens next and to answer any questions. Any adults who might be interested in getting involved are more than welcome to join us so please share this invite!

In the meantime, if you've got any questions, please get in touch on **<Phone>** or email me at **<Email>**.

Thanks
