Cubs

after a few weeks

of going.

I will

need to make

a Promise.

A leader

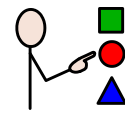

will help

me

to understand

and choose

a Promise.

Making

the Promise

is very important.

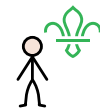

I must

promise to be

a good

Cub

and

try my

best.

      
I will say my Promise during a special ceremony called an Investiture.

  
This is called being invested.

   
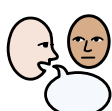

Other children may be invested during the Investiture.

   
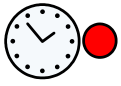

Everyone might get into a circle or semi circle.

   
Parents or carers can come to watch.

    
The leader will ask if I understand the Promise.

   
I will make the Scout sign and say my Promise.

     
It is ok if I feel nervous, I can tell the leader who can help me.

After making my Promise, I will receive a special badge.
