

Making the Promise

I will

decide if I want to

join

Scouts

after a few weeks

of going.

I will

need to make

a Promise.

A leader

will help

me

to understand

and

choose

a Promise.

Making

the Promise

is very important.

I must

promise to be

a good

Scout

and

try my

best.

      
I will say my Promise during a special ceremony called an Investiture.

  
This is called being invested.

   
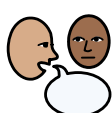

Other young people may be invested during the Investiture.

   
Everyone might get into a circle or semi circle.

   
Parents or carers can come to watch.

    
The leader will ask if I understand the Promise.

   
I will make the Scout sign and say my Promise.

     
It is ok if I feel nervous, I can tell the leader who can help me.

After making my Promise, I will receive a special badge.

I will receive a necker to wear at Scouts.

I will receive a woggle.
