

Making the Promise

   **EXPLORERS**  

I will decide if I want to join Explorers after a few weeks of going.

I will need to make a Promise.

A leader will help me to understand and choose a Promise.

  

Making the Promise is very important.

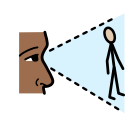

I must promise to be a good Explorer and try my best.

      
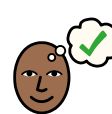

I will say my Promise during a special ceremony called an Investiture.

  
This is called being invested.

   
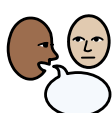

Other young people may be invested during the Investiture.

   
Everyone might get into a circle or semi circle.

   
Parents or carers can come to watch.

    
The leader will ask if I understand the Promise.

   
I will make the Scout sign and say my Promise.

     
It is ok if I feel nervous, I can tell the leader who can help me.

After making my Promise, I will receive a special badge.
